

## Who's building illegally in Judea, Samaria and Jerusalem?

You'll see nothing in the local press about the millions being poured into illegal building projects in Area C and Jerusalem by the European Union. So if you'd like to learn how the EU is trying to stealthily undermine Israel's sovereignty, in direct contravention of the Oslo Accords, don't miss this important exposé by Ari Briggs from Regavim, the NGO whose investigative report just uncovered the scandal.
